d. Ongoing projects

In Ukraine over 20 donors are providing aid for HIV/AIDS programmes according to NASA findings (\$154 276 933 were provided between 2012-2014). Despite the high number of donors the actual amount of funding provided for HIV/AIDS is concentrated among two donors - the United States Government (USG) and the Global Fund. They provide approximately 90% of funding.

Planning, development and assessment of GF programs is carried out with the support of WHO, UNAIDS and other UN agencies.
